All current members and guests are asked to [RSVP via e-mail by Thursday, April 26](#), to Barry Barrs at the above e-mail address.

Please see page two of this announcement for a map and directions on how to get to Conoco's office.

I am just now starting on the agenda for the meeting and feel that it is very important as an organization that we are all involved and actively participate. So, if you have an agenda topic that you would like to have discussed/presented please send me an e-mail with the topic and approximate amount of time needed. If everyone would put their thinking caps on and try to send me at least one topic, we could fill up the agenda and probably have topics left over, so please try and submit something. Thanks.
